

Teacher:	Date:	Grade:
Lesson:		
ITES Standards: (written out)		
Core Standards Also addressed in this lesson / unit:		
Essential Question:		
Activating Activity (5 minutes) What are students doing?		
Questions to ask during Activating Activity:		
Vocabulary (1-5 essential words)		
Media Coordinator Input (include materials needed) What am I saying and doing?		

Focus questions during large group instruction:
Bloom's Taxonomy / Is my instruction more than just "delivering information to students?" Are students thinking? Are students engaged? What are students doing?
Checking for Understanding / Formative Assessment : How do I know students understand what I have taught? What are students doing and saying and thinking? How am I assessing the students during instruction and practice activities?
Guided Practice Activity:
Independent Practice Activity: (If students are checking out during part of this, state this fact.)
Closure: Review main points / Set stage for next lesson / Answer Essential Question Formative Assessment: Did students complete activities completely and accurately?
Technology Integration:

**Additional Planning Points:**

Did I plan this lesson with the teacher? Did I discuss with teacher basic information such as content delivered in classroom, forms to use, timeline for lesson or unit, etc.

How does the teacher know what I am doing in the media center?

What do I need to revise the next time I use this lesson?
